To promote and propagate performing, plastic and visual arts and to interact with artists/art Institutions for the over all development/growth of the cultural schemes of the Capital.

2 **Mission/vision**

To make Delhi the cultural Capital of India.

3 **Brief history and background**

Sahitya Kala Parishad was setup in 1968 to promote literature, art & culture in Delhi as a cultural wing of Govt. of NCT of Delhi. It was established with the creative perception that the common man is unable to share the achievements of various art forms, so it becomes imperative for the art forms to carry themselves to the masses with the intention to introduce themselves. Since its inception, the Parishad has been carrying out various activities in these fields, which are broadly classified under fine arts, music, dance, drama and folk arts.

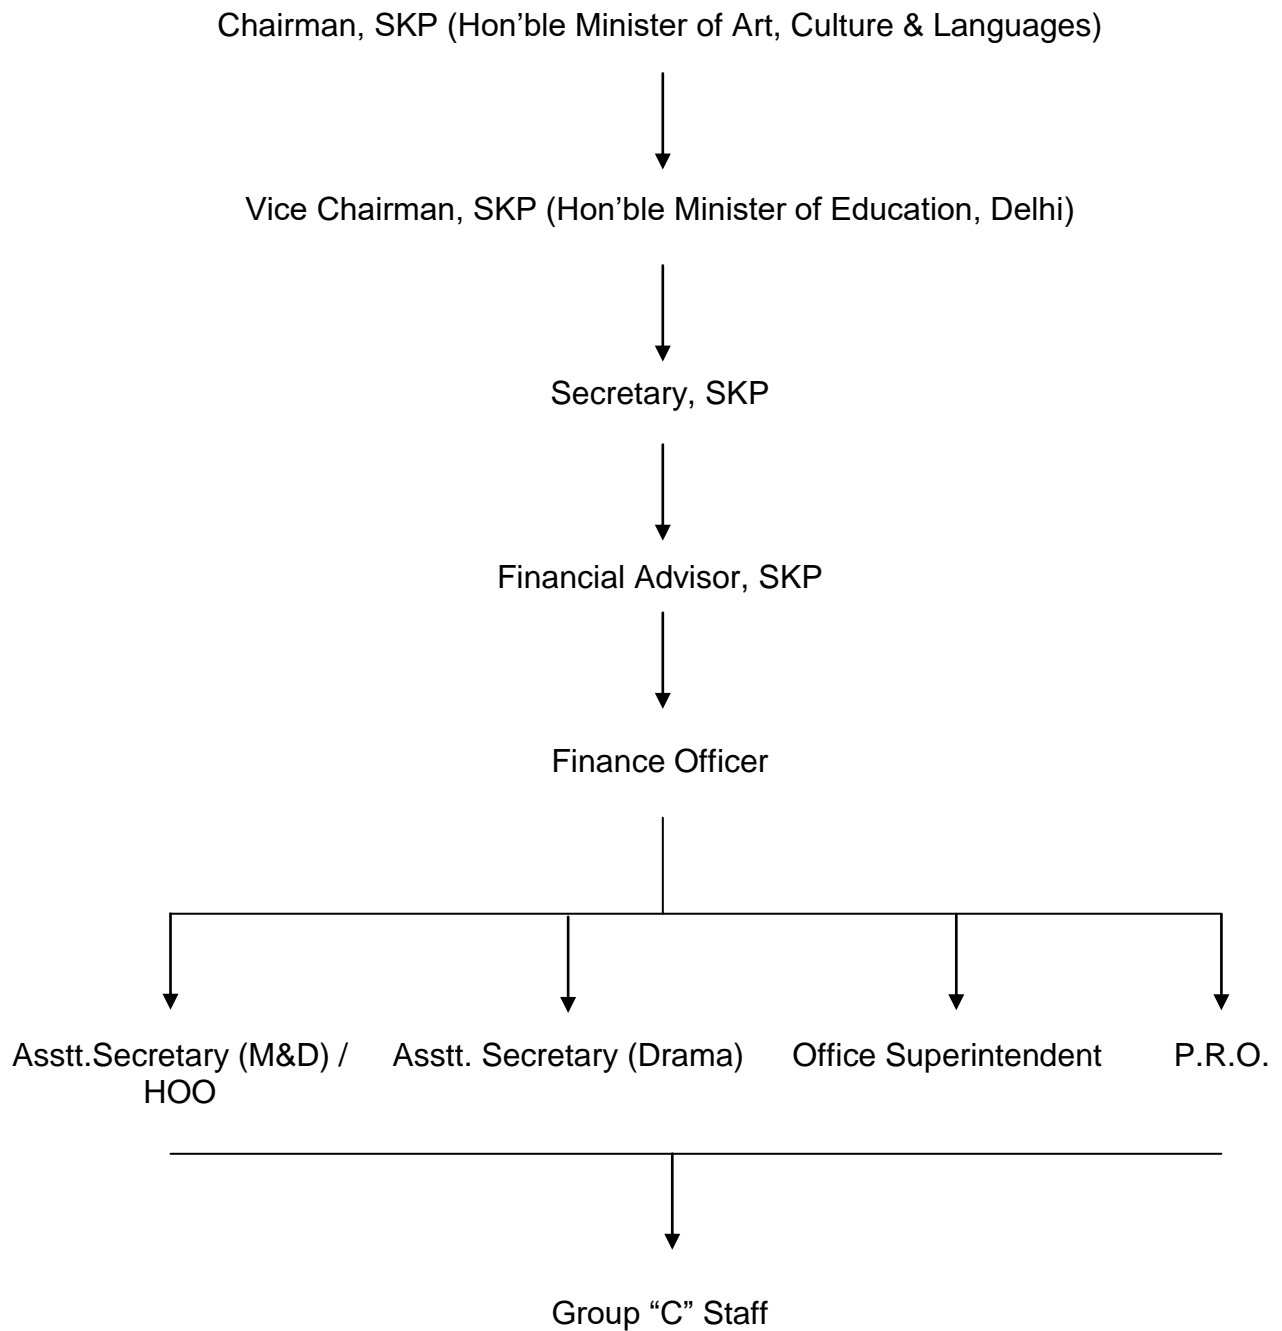

In order to achieve its aim in the field of performing & plastic arts, SKP organizes a variety of programmes/festivals and concerts, which provide appropriate ambience and encouragement necessary for various schools of performing & plastic arts. With the setting up of Language Academies, the main thrust of the SKP has been on music, dance, drama and fine arts. As one of the most inter-active department of the Delhi Government, Sahitya Kala Parishad, for the past more than four decades and more, has been carrying out its mandate with full vigor and dedication. SKP has on the one hand revived and projected the age old time tested traditions of the country and on the other hand it has tried to encourage and provide platform to the new and innovative trends in plastic and performing arts, which represent our lives and times. SKP's programmes are at the same time deep rooted in traditions and also branching out towards open skies crossing the boundaries of caste, creed, colour and geographic limits. Its projects and programmes concentrate more on youth, women and weaker sections of society.

The SKP has been extending its activities to re-settlement colonies and has also put up performances and training programmes specially for the young and upcoming talents.

The Sahitya Kala Parishad is ceaselessly striving to make Delhi the cultural Capital of the country by managing and organizing various art exhibitions, artist camps, National music/dance/drama festivals, cultural programmes in Universities/Colleges/ Schools, lecture-cum-demonstration programmes and programmes for young and upcoming talents etc. etc.
